

Jan. 25, 1946

Mrs. Monley -

I received your letter and was very glad to hear from you. Davis and I are well and will be home about the 1st of March.

We won the first half so we will have to be in the play-off for the championship. We are both doing pretty good. I am enclosing a clipping but you will have to find a translator.

I am also returning this form. I signed it but I don't have my social security card with me but I'll give you the number as soon as I return.

I am glad we have a good training site and more than happy that all the boys will be back. When are Doby and Day expected to be out?

Davis sends regards and both of us will be back soon.

Sincerely,
Monty
